Course Overview

Advanced CDBG (2 Days)

The National Community Development Association (NCDA) is pleased to announce the delivery of a two-day advanced course on the Community Development Block Grant (CDBG) Program. Senior staff, new managers and experienced managers wishing to stimulate new ideas can benefit from the course. The agenda will include information and discussion on effective program planning, equitable allocation systems, program implementation challenges, leveraging resources and problem solving. The course will be reinforced through in-class exercises. Course participants will receive a training manual, including resource material. If you have specific issues you'd like to discuss, bring them with you.

CDBG/HOME Underwriting/Subsidy Layering (1 Day)

This one-day session will focus on the new HOME Underwriting/Subsidy Layering requirements and because HUD is going to be requiring CDBG grantees to establish CDBG underwriting policies/guidelines, how the HOME Guidelines may serve as the basis for establishing CDBG underwriting guidelines. The course is based upon the latest guidance from HUD on how to conduct underwriting and subsidy layering for homebuyer and rental development projects.

A course agenda and registration form is attached. The Early Course fee is \$400 for members and \$500 for non-members. In order to ensure a spot in the class, please register directly online at <http://www.ncdaonline.org/cdbg.asp>. If your community is sending more than one person to this training, please complete a registration form for each person. We want to ensure that each participant receives a copy of all the materials.
