

City of Davenport Community Survey for CDBG Funding

Each year the City receives over \$1 million in federal Community Development Block Grant (CDBG) funds. These funds can be used for eligible activities in the areas of housing, economic development, public facilities, social services, and planning. All funded activities must meet one of the following national objectives: assisting low and moderate-income households; eliminating or preventing slums or blight; or responding to an urgent need. This survey helps provide insight on what is important to the community.
