

# CDBG Subrecipient Management

## Polling Questions

### Session 3

#### 3-1 Selecting Subrecipients

1. HUD does not dictate the process a grantee should use in selecting subrecipients.
  - a) True
  - b) False
  
2. We've received an interesting application but we've identified some issues that trouble us. What are our options?
  - a) Decline to fund
  - b) Tell the applicant its application is probably more suited to a United Way grant
  - c) Fund, but include provisions addressing any issues of concern in the Subrecipient Agreement
  - d) None of the above
  
3. Which of the following is not one of the §200.332 criteria for conducting a pre[award risk assessment?
  - a) Subrecipient's Prior award experience
  - b) Subrecipient's Staffing and internal systems
  - c) The extent of any prior federal (or pass-through entity) monitoring
  - d) All of the above
  
4. How many subrecipients a grantee will make subawards to is determined by...
  - a) HUD
  - b) Local policy
  - c) A ratio of one subrecipient to \$250,000 in grant funds
  - d) None of the above
  
5. If our jurisdiction decides to use subrecipients, it's probably a pretty good idea if our people, particularly those on the financial and monitoring sides get familiar with 2 CFR 200.330-345.
  - a) True
  - b) False

#### 3-2 Project Transformation

You've heard the case. Based on the information at hand, will you fund the proposed activity or decline to fund?

- a) Fund
- b) Decline**
