

The National Community Development Association (NCDA) is a membership-based organization representing local government agencies that administer the Community Development Block Grant (CDBG) Program and other HUD Office of Community Planning and Development programs.

NCDA offers members the opportunity to develop and expand program knowledge, improve program operations, engage with other practitioners, and provide opportunities for career advancement through professional networking, training, and online resources. NCDA has experienced membership growth for the past seven years and we want you to be part of our growth by joining NCDA during Membership Week, September 19-23, 2022.

To help you learn more about NCDA,
please join us for the following one-hour webinars during Membership Drive Week.
