

LEADERSHIP INSTITUTE OVERVIEW

Join us for NCDA's Leadership Institute, a four-course interactive training for new and experienced supervisors and managers in the community development field.

Courses include:

1. **Team Building**
2. Management
3. Leadership
4. Communication

Course 1 is a hands-on, interactive approach to building a strong team. Course content is designed with specific examples directly applicable to managing **CDBG** and **HOME** programs.

Peer-to-peer networking will be invaluable as participants work through issues related to trust, workplace conflict, innovation, empowerment, and team building.
