NCDA Membership Week: September 16-20, 2024

The [National Community Development Association \(NCDA\)](#) is a membership-based organization representing local government agencies that administer the Community Development Block Grant (CDBG) Program and other HUD Office of Community Planning and Development programs. NCDA is an association of people committed to assisting local governments achieve high quality, locally responsive programs for making communities better places to live, particularly for low- and moderate-income people. NCDA is the premier advocacy and training organization that teaches and inspires program administrators to build inclusive, sustainable, and affordable communities for low- and moderate-income families and individuals.

NCDA offers members the opportunity to develop and expand program knowledge, improve program operations, engage with other practitioners, and provide opportunities for career advancement through professional networking, training, and online resources. We want you to be part of our continued growth by joining NCDA during Membership Week, September 16-20! To give you an idea of the benefits available to you as an NCDA member, the following items will be provided to you, free of charge during NCDA Membership Week.
